Wednesday Challenge Form

Group Members: Jaden, Evan, Tyler, Rual, Mason

Problem Statement: We had to make a design
For last weeks winners

Approach: We had to make a design from
Last weeks winner which was to make
A toy for the Robotics team. We did a really
Basic design which was taking a straw and
Cutting out the wings to go on top and make it
Fly. It took a while to cut out each individual
Wing. We finished with about 5 min left before
Presenting our design

Solution: We did not win the challenge, but
I think our group did better than last weeks WC

Lessons Learned: The lesson we learned from
This challenge was to be efficient
